## Terms and conditions

### Payment Policy

To qualify for the Early Booking price, it must be paid in full 3 months prior to the start of the course.

If a company or organisation is paying the course fee, then the Early Booking price does not apply. These participants are expected to pay the Corporate price.

A deposit (30% of the standard course fee) must be paid at least 2 months prior to the start of the course. The full amount must be paid at least one month prior to the start of the course. If special arrangements for payment have been made, these must be supplied in writing and signed by yourself and us.

### Cancellation Policy

If your paid fees are retained due to your cancellation date being after the following listed dates, the retained amount is credited to you for any one of the courses, events, sessions or recorded programmes offered by Jevon Dangeli. If you cancel within 45 days before the course is due to start, 50% of the full course price will be retained. If you cancel within 30 days before the course is due to start, 75% of the full course price will be retained. If you cancel within 15 days before the course is due to start, 100% of the full course price will be retained.

### Refund policy

For refunds due to cancellation, please see Cancellation Policy.

30% of the course fee is considered payment for your study material, manual and the related resources that are made available to you upon enrolment. This amount is non-refundable regardless of any reason for cancellation from either yourself or us.

### Live training sessions

The participant is expected to be on time for all scheduled training sessions - both at the onsite course and at the online masterclasses. Not showing up for a session or being more than 15 minutes late will result in that session being missed. Missed sessions can be had with Jevon one-on-one on agreed dates and at an additional fee, which will be Jevon's current coaching session rate. All sessions must be attended in order to fulfil the certification criteria.

### Certification

In order to obtain either the ASE Facilitator certificate or the ASE Advanced Facilitator certificate or the Transpersonal Hypnotherapy Practitioner certificate or the Transpersonal Coach certificate, please refer to the certification criteria stated on the respective course information pages on our website [www.authentic-self-empowerment.com](http://www.authentic-self-empowerment.com).

## Postponements

It is possible to postpone your attendance to a future scheduled course. If you postpone to a future course, you will be responsible for any additional costs resulting from such postponement (i.e. venue costs or price increases etc.).

All courses are dependent on a minimum number of participants in order to ensure that all participants have the appropriate and intended experience, therefore we reserve the right to postpone at our discretion. Any financial losses arising thereof (i.e. flight cancellations) are the responsibility of the participant.

## Responsibility

You understand that our courses are not a replacement for medical or psychotherapy treatment. You are responsible for your own well-being while on the course. Neither Jevon Dangeli nor Jana Allmrodt may be held responsible for any concerns arising in your personal life after having attended any of the course modules.

## Consent

You certify that you agree with the above terms and conditions and that you are over 18 years of age. (If under 18 years of age, I promise to have the consent of my legal guardian).
